About mountain hut
There are six unmanned mountain huts.
All of them offer dry place to sleep,water from stream and toilet but nothing else. There is no electricity in the hut . So be sure to carry all equipment and supply such as meals,fuel,sleeping bag,flashlights,etc.

*Using the Walking Trail *
The ancient Japanese term "hodo" is translated into English as "walking trail" on this map and denotes hiking trails.
Remember to come adequately prepared for any walking trail .

Attention
To use these trails you must have sufficient expericence and equipment.
Nagata Walking Trail Hanayama Walking Trail Kurio Walking Trail
Yudomari Walking Trail Onoaida Walking Trail
